DRIVING SUPERIOR LAMINATION

MWC-2100
MULTI WALL CUTTER

SWARF & DUST FREE CUTTING

The Crest Multi Wall Cutter MWC-2100 cuts polycarbonate multiwall sheets with a razor-sharp blade instead of a saw. No swarf ends up in the chambers, so no air gun is needed to blow the sheets clean. The cutter can be mounted upright against a wall or, where floor space allows, used horizontally as a standalone unit.

FEATURES

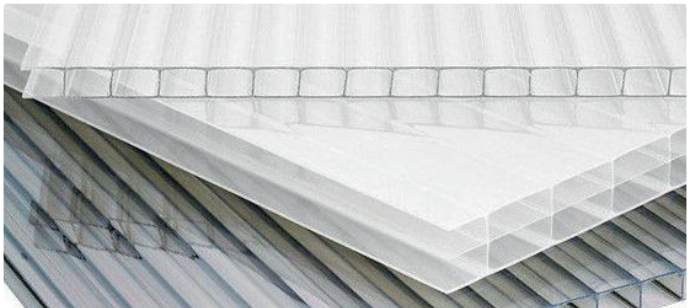

- Razor-sharp cutter
- Clean cutting
- Simple operating panel

OPTIONS

- Infeed table
- Outfeed table
- Length measurement on tables

TECHNICAL SPECIFICATIONS

- Max. cutting speed 30 m/min
